Be Smart, Be Kind, Be Safe : Your Online Adventure Starts Here!

Play and quiz

Three games to practise your powers, then a quiz to earn your certificate.

1. Safe or not safe?

Sharing my password with my best friend	Safe 👍	Not safe 🚫
Asking Mum before I download a game	Safe 👍	Not safe 🚫
Clicking a pop-up that says "You won a phone!"	Safe 👍	Not safe 🚫
Telling my teacher about a mean message	Safe 👍	Not safe 🚫
Posting my home address	Safe 👍	Not safe 🚫
Using a long password with letters and numbers	Safe 👍	Not safe 🚫

2. Password builder

Make up a pretend password. Never use your real one here!

Pretend password

Try: BlueTiger!7Moon

Type to test it.

3. Choose your path

Mia gets a message: “Click here to win free game coins!” What should Mia do?

Click the link | Ask a grown-up | Send her password

4. Cloud gone! What would you do?

Mia’s homework is in the cloud, but today her account will not open and her project is due tomorrow! What should Mia do?

Panic and give up | Tell her teacher and a grown-up | Use her backup copy

A backup is a copy saved in another place, like a notebook or a USB drive a grown-up helps you use.

Quiz time!

Question 1 of 6

Where does the cloud keep your files?

In the sky | On far-away computers | Inside my pencil case

▶ ⭐ **Challenge corner (ages 10–12)**

Cloud Heroes · Student teacher project
