Public or private?

A cloud that many people and companies share

Public 🌎 | Private 🔒

A cloud made just for one school — Public 🌎 | Private 🔒

Google Drive — Public 🌎 | Private 🔒

A school’s own locked system — Public 🌎 | Private 🔒

🤔 What if the cloud stopped working?

Imagine your homework and photos are in the cloud and it stops. What would I lose? What would I do? Talk with a friend, then write your ideas in your notebook.
